Professor John Windsor (Department of Surgery, University of Auckland) and Obex are pleased to invite you to attend the third one-day custom designed presentation skills workshop facilitated by Pro-Formance Driven.

## TESTIMONIALS FROM FORMER ATTENDEES:

*"Just to let you know I've just won the Best Journal Club Presentation award at NSH Gen Surg June-Dec 2008 after attending your Obex Presentation Skills seminar in Aug/Sept 2008. I found the seminar very helpful and still use the handout for every presentation I prepare. Thanks again for giving me the opportunity to attend and improve my skills."*

*Dr Nadya York*

"The one day Presentation Skills Workshop allowed me to come out of my shell, engage the audience and showed me how to deliver a good presentation. Highly recommended for all surgical trainees."

Dr. Anubhav Mittal

*"The workshop helped me approach presenting from the audience's perspective. It gave me more confidence to be able to speak to a group in a more dynamic and entertaining way."*

*Dr. Sarah Kruger*

The number of participants is strictly limited to ensure the workshop can be interactive and it will cover all aspects of developing and delivering effective presentations. Applicants should only apply once leave has been approved and will be responsible for their own travel arrangements.
